Important Information about Procedures for Opening a New Account. To help the government fight the funding of terrorism and money laundering activities, federal law requires all Financial Institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

INTEREST RATES AND INTEREST CHARGES

Interest Rates and Interest Charges	
Annual Percentage Rate (APR) for Purchases	24.99% This APR will vary with the market based on the Prime Rate.
Penalty APR and When It Applies	29.99% This APR will vary with the market based on the Prime Rate. This APR may be applied to your Account if a minimum payment is more than 60 days past due. How Long Will the Penalty APR apply? If your APR is increased for this reason, the Penalty APR will apply until you make six consecutive monthly minimum payments when due.
Paying Interest	Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on Convenience Checks on the transaction date.
Minimum Interest Charge	If you are charged interest, the charge will be no less than \$2.00.

COMMERCIAL REVOLVING CREDIT AGREEMENT

"You" and "your" means the Business Borrower. If approved, your credit card will be issued by TD Bank N.A. the ("Bank"). If a credit card is issued, you will be provided with your initial credit limit at the time you receive your credit card. You understand that the Bank may change your credit limit from time to time, either at your request (if the Bank approves your request) or at the Bank's initiative. The Bank has the right to cancel or limit the credit to be extended to you at any time without prior notice. You agree to pay for all purchases made by you and/or others as authorized by you.

1. Interest Charge: You understand that you will not have to pay a periodic **INTEREST CHARGE** on any purchases during a billing period that you pay the new balance by the payment due date

shown on your current Statement, which shall not be less than 25 days after the close of the billing cycle. Otherwise, you understand and agree that interest charges will accrue from the date of the transaction (or, at the Bank's option, from the date they are posted to your Account) and will continue to accrue until the transaction is paid in full, unless otherwise provided under a Promotional Offer as explained in section 7 below. For Convenience Checks, interest will begin to accrue on the transaction date. The Bank will use the AVERAGE DAILY BALANCE method to compute the interest charge. The interest charge on your Account is figured by applying each applicable daily periodic rate to the average daily balance of the outstanding transactions (including current transactions) that are subject to that daily periodic rate. To get the average daily balance for each type of transaction subject to a particular rate, the Bank takes the beginning balance of such transactions each day and adds any new transactions subject to the same rate and unpaid interest charges and subtracts any payments or credits. This gives the Bank the DAILY BALANCE. Then the Bank adds together all the daily balances subject to the same rate for the billing cycle and this total is divided by the number of days in the billing cycle. This gives the Bank the average daily balance for each type of transaction. There is a minimum monthly interest charge of \$2.00.

2. Annual Percentage Rates:

a. Annual Percentage Rates: *Annual Percentage Rate* or *APR* means the annual rate of interest charged on Account balances, without taking into account transaction fees (such as Convenience Check transaction fees). The Annual Percentage Rate ("APR") for Purchases is in the table of Interest Rates and Interest Charges that is part of this Agreement. To get the Daily Periodic Rate the Bank divides the applicable APR by 365 (366 for leap year). The Bank may charge different APRs on different Account transactions, subject to applicable laws.

b. Variable Rates. The APRs that apply to your Account are subject to change each billing cycle with changes to the Index, and when the index increases, the APRs may increase. The Index ("Index") is the Prime Rate (U.S.) published in the Money Rates section of *The Wall Street Journal*. The APRs will be adjusted each billing cycle by adding a margin to the Index. Any change in the APRs will take effect on the first day of the billing cycle after a change to the Index occurs. When a range of rates has been published on the day the Bank calculates the APR, the highest of the rates will be used. Please see the table of Interest Rates and Interest Charges for information. Margins are listed below the table of Interest Rates and Interest Charges. The APR for Purchases will never be less than 24.99%.

c. Penalty APR. If any required minimum payment is 60 days past due, the Bank may, at its discretion, send notice that it will increase the APR on all new and existing balances on the Account, up to the maximum penalty APR stated in the table of Interest Rates and Interest Charges. The Penalty APR will be adjusted each billing cycle by adding a margin to the Index. Please see the table of Interest Rates and Interest Charges for more information about margins. If the Index changes, your penalty APR will change and may increase. The Bank may impose the penalty APR under the circumstances described above, without losing any of its rights under this Agreement

or under applicable law. The penalty APR will never be less than 29.99%.

3. Minimum Payment Due: For each purchase transaction, you agree to pay a Minimum Payment Due which is the greater of \$15 or 3.5% of the new balance, plus any applicable fees and charges as of your Statement Closing Date. If your account includes balances arising from more than one purchase transaction, the "Minimum Payment Due" will be the sum of the amounts calculated for each purchase transaction as stated above, plus any amounts past due and any other fees and charges. Your Minimum Payment Due may increase if the Default APR is in effect on your Account.

4. Late Fee: If the Minimum Payment Due is not received by the Payment Due Date on the statement the Bank will charge you a late fee of \$29 if your outstanding account balance is less than \$500.00 or \$39 if your outstanding account balance is greater than or equal to \$500.00. You understand and agree that at the Bank's option, such late fee will be immediately due and payable.

5. Returned Check Fee: If you pay with a check and your check is returned to the Bank by your financial institution unpaid or dishonored, the Bank may charge you a fee of \$29.00.

6. Statements; Crediting of Payments: The Bank will send a billing statement to your address on the Bank's records each month if required by federal law. Each minimum payment is due on the Payment Due date shown on the billing statement (which will be at least 25 days after the "Statement Closing Date"). Subject to applicable law, the Bank reserves the right to apply payments to your account in any manner the Bank may choose in its sole discretion. Payments are to be sent to the address designated on the billing statement. Payments received at such address with the return portion of the billing statement by 5:00 PM Eastern Time Monday through Friday (excluding bank holidays) will be credited on the day of receipt. Payments received after 5:00 PM Eastern Time Monday through Friday (excluding bank holidays) will be credited on the next business day. Credit for payments not received in U.S. dollars, not made in the envelope provided with the billing statement and accompanied by the payment stub which is part of the billing statement, and/or received at the address for payments designated on the billing statement may be delayed up to five (5) calendar days. Payments must be made by check or money order payable in U.S. funds and drawn on a financial institution located within the United States. If you want to pay with a check that has "payment in full" or some other special notation or instruction on it or with it, you agree to send the payment (including the special notations or instructions) to the Bank at the following address: P.O. Box 731 Mahwah, New Jersey 07430. If you send any such payment to any other address, the Bank may ignore the special notations or instructions, and the Bank's crediting any such check or other instrument to amounts you owe under this Agreement does not mean that the Bank has agreed to the special notations or instructions. **YOU MAY AT ANY TIME PAY MORE THAN THE MINIMUM PAYMENT DUE. YOU ALSO MAY AT ANY TIME PAY THE FULL UNPAID BALANCE OF YOUR ACCOUNT WITHOUT INCURRING ADDITIONAL CHARGES.**

7. Promotional Offers: Notwithstanding any other provisions of this Agreement, the Bank may occasionally, at its option, make Promotional Offers. Specific terms of a particular purchase made under a Promotional Offer may be supplemented by the terms set forth on my sales slip at the time of my purchase. Purchases made under Promotional Offers will be shown separately on your billing statement.

You must pay at least the "Minimum Payment Due", if any, (which will include any applicable Minimum Payment Due, plus fees and charges) shown on your billing statement while any Promotional Offer is applicable. You understand and agree that if you fail to pay one (1) Minimum Payment Due on your Account by the Due Date on your statement, the Bank will terminate the Promotional Offer. Upon termination of a Promotional Offer, the APR will be the **Standard APR**. Balances under any Promotional Offer may be combined, at the Bank's option, with balances under your standard terms upon the expiration of any deferred or specified time period applicable to a Promotional Offer. If you default under this Agreement, the Bank may increase the **APR** and/or revoke its consent to the deferral of any Minimum Payments Due and/or accrual of Interest Charges, immediately and without any notice. See section 8 below for details. If you use your account with a Promotional Offer, you acknowledge and agree that the terms of the Promotional Offer will modify and become part of this Agreement and all other terms and conditions will apply. The standard provisions of this Agreement apply to all transactions not subject to a Promotional Offer.

8. Default: It is further understood that this Agreement and all sales arising hereunder shall be owned by the Bank. Upon default in any payment, the entire balance shall be due and payable at the option of the Bank together with collection fees and reasonable attorneys' fees to the extent permitted by law. If you fail to pay the Bank on time, or if you file bankruptcy, or if Bank believes the prospect of payment or ability to realize upon the collateral is significantly impaired, you will be in default and Bank can require immediate payment of the full balance; in addition to other rights and remedies the Bank has under the law and this agreement.

9. Security Interest: You hereby give the Bank a security interest in any purchase including Internet, telephone, and mail order purchases made by you or any person you authorize to use the account, and the proceeds thereof, including insurance proceeds. Additionally, you authorize the Bank to file any financing statements showing the Bank's security interest in the purchase and proceeds thereof without your signature, or in the event state law requires your signature, you agree to join in executing all necessary financing statements in a form satisfactory to the Bank, and further agree the Bank holds a purchase money security interest in all items purchased with your credit card. Any given purchase will remain as security for all purchases until such time as that purchase is completely paid for, and you agree that your payments will be deemed applied as stated in the Method of Payment section of this Agreement.

10. Promotional Transaction Fee: From time to time at the Bank's discretion you may be offered a promotional transaction. For each Promotional Transaction a fee of up to \$175 is added to the account, which is an additional INTEREST CHARGE. At the Bank's option, such Promotional Transaction Fee will be immediately due and payable.

11. Entire Agreement: You agree that this Agreement (as

amended from time to time in writing) and the Application constitute the final expression of the agreement between you and the Bank and that this Agreement may not be contradicted by evidence of any prior, contemporaneous or subsequent oral agreement between you and the Bank regarding your account. The retail store and its employees have no authority to change, add to or explain the terms of this Agreement except as expressly provided in this Agreement (with respect to Promotional Offers). For more information or questions, call 1-866-702-4074.

12. Liability for Unauthorized Use: If your credit card is lost or stolen or if you believe someone may have used your account without your permission, you must notify the Bank at once at P.O. Box 731 Mahwah NJ 07430 or verbally by calling 1-866-702-4074. You may be liable for the unauthorized use of your account. The Bank may terminate or limit access to your account if you have notified the Bank or the Bank has determined that your card may have been lost or stolen, or that there may be unauthorized access to your account. If we issue a **total of ten (10) or more cards** on your account for use by you and your Authorized Users, you will be liable for all unauthorized use of the cards and your account prior to our receipt of notification as described in this Section 12. If we issue **fewer than ten (10) cards** on your account, you may be liable for up to \$50 for any authorized use of the card(s) prior to our receipt of notice of loss, theft or unauthorized use, or such suspected use; however, you will not be liable for unauthorized charges resulting from such fraudulent use after our receipt of such notice, unless the fraudulent use occurs as a result of your lack of reasonable security precautions and controls surrounding the cards or accounts, or such use results in a benefit, directly or indirectly, to you or the Authorized User.

13. Internet Gambling Notification: You agree to use the Account only for lawful purposes, and you acknowledge and agree that "restricted transactions" as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG issued there under are prohibited from being processed through your Account or any relationship between you and the Bank. In the event we identify a suspected restricted transaction, we may block or otherwise prevent or prohibit such transaction and further, we may deny services to you, close the Account or end the relationship. However, in the event that a charge or transaction described in this disclosure is approved and processed, you will still be liable for the charge.

14. Authorization: Telephone calls may be made to you using an automatic dialing-announcing device. Your telephone conversations with employees or agents of the Bank may be monitored and/or recorded for quality assurance purposes. Use of your account will signify your consent to such use of an automatic dialing announcing device, monitoring, and/or recording.

15. Governing Law: Applicable federal law and the substantive laws of the State of Delaware (to the extent not preempted by federal law) without regard to principles of conflict of law or choice of law, shall govern this Agreement including the rate of interest and fees.

16. Signature: Your signature and address on the Application represents your signature and address on this Agreement.
